

Date of Meeting: September 19, 2005

**BOARD OF SUPERVISORS
PUBLIC SAFETY COMMITTEE
INFORMATION ITEM**

#5

**SUBJECT: DEPARTMENT OF FIRE AND RESCUE SERVICES SIGNIFICANT
INCIDENT REPORT**

BACKGROUND:

Attached is the incident summary report for the Department of Fire and Rescue Services for the month of July and August 2005. This routine account is a part of the standard reporting package made to the Board of Supervisors' Public Safety Committee from the Department of Fire and Rescue Services. The report also includes the Loudoun County Fire-Rescue System Response Summary by Company which provides a breakdown of responses by Fire and/or Rescue Company within their first due area, other areas within the County, and mutual aid responses outside the County. In addition, a one-page executive summary has been provided that outlines the key elements of the reports.

Staff will be on hand to answer any questions that arise from the Committee on calls for service or significant incidents, in addition to any other incidents that have occurred since the printing this item.
